

CORVETTE

LET FREEDOM REV. The 2007 Chevrolet Corvette. ■ One legacy, three models — coupe, convertible and Z06. ■ Total exhilaration — with or without a roof. ■ Coupe and convertible offer an available Six-Speed Paddle Shift with Automatic Modes, which allows quick, clutchless up- or downshifts without you ever taking your hands off the wheel. ■ Convertible offers an available power top and a trunk that accommodates two golf bags with the top down. ■ The 505-hp Z06 is the highest performance production car in Chevrolet or GM history. ■ Z06 contains a litany of exotic race technology, having been codeveloped with the C6.R racer that beat Aston Martin, Ferrari and Lamborghini at Le Mans in 2006 for its fifth victory in six years. ■ New for 2007 on coupe and convertible: available two-tone seats in Ebony/Red, Ebony/Cashmere and Ebony/Titanium Gray, with embroidered Corvette logos on the head restraints.

Shown below: Corvette coupe in Atomic Orange Metallic Tintcoat (extra-cost color) with available features.
